www.nebosh.org.uk
info@nebosh.org.uk
+44 (0) 116 263 4700

What is IGC/IG and What is level?

IGC means International General Certificate, this is old syllabus title abbreviation and IG stands for the same in the new syllabus. Both certificates are same level.

What is the entry level of this course?

There are no entry requirements for this qualification, however it is important that learners have a suitable standard of English language in order to understand and articulate the concepts contained in the syllabus.

NEBOSH recommends that learners undertaking this qualification should reach a minimum standard of English equivalent to an International English Language Testing System (IELTS) score of 6.0 or higher in IELTS tests.

What we recommend from practical experience?

You must hold at least higher secondary secondary certificate with diploma in safety with few years of experience in safety/Graduate with some years of experience are always preferable.
